

Dear Traveller,

We understand that \$2,695 is a lot of money for a college student or young professional. Provided here are several resources to help you raise support for your **Live the Land** trip.

Fundraising Guide: walking you through the process of raising support step-by-step. Designed to help those with little or no experience raising funds to gain a good grasp on where to start and how to continue the process leading up to the trip.

Template Letter: a sample fundraising letter intended to provide help in terms of formatting as well as content. Fill in your own personal info, and you'll have the primary tool for fundraising.

Gift Slip: include a copy of this gift slip to allow friends, family, and others the ability to designate a specific amount of support for you. Checks **cannot be made out to individual participants**. The donor should make the check out to CJF Ministries and write "Live the Land" in the memo line. The gift slip should be used to identify you as the intended recipient.

Additionally, CJF Ministries also provides need-based scholarships. After your application is received, please contact us if you would like a scholarship application. Keep in mind that almost all scholarships awarded are partial scholarships, and do not cover the full cost of the trip. In other words, even if you apply for a scholarship, you should still be actively raising support for your trip.

In Him,

A handwritten signature in black ink that reads "Michael Hedrick".
